Description of the scheme: In no more than **250** words describe the main components of your scheme (e.g., building and land uses, size of site, significant features).

Why does this scheme warrant an award? In no more than **500** words (using the criteria in the information pack to help formulate your response), describe the valuable place-making qualities of this scheme. As a reminder, these are the ten place-making criteria: context, identity, built-form, movement, nature, public space, uses, homes and buildings, resources, and life span.
